

## SONGFEST 2020 Song List THE CHIA PET FAN CLUB AND FRIENDS

Theme Choice:  
**DOCTORS/HOSPITAL**

### Group Leadership

Music Director(s): Harmony Smith

### Music Selections

1. *Like a Surgeon*
2. *Gaston*
3. *Lookin' for the Answer*
4. *Step by Step*
5. *Bad Case of Loving You (Doctor, Doctor)*

### Comments

- None of these songs will be performed in their entirety, as they're all too long.
- We're thinking about requesting a minor lyric change for "Gaston", since the name of the character that the song refers to may or may not end up actually being "Gaston". We're looking for a clever rhyme.

*I finally made it through med school  
Somehow I made it through  
I'm just an intern  
I still make a mistake or two*

*I was last in my class  
Barely passed at the institute  
Now I'm trying to avoid, yah I'm trying to avoid  
A malpractice suit*

*Hey, like a surgeon  
Cuttin' for the very first time  
Like a surgeon  
Organ transplants are my line*

*Better give me all your gauze nurse  
This patient's fading fast  
Complications have set in  
Don't know how long he'll last*

*Let me see, that I.V.  
Here we go - time to operate  
I'll pull his insides out, pull his insides out  
And see what he ate*

*Like a surgeon, hey  
Cuttin' for the very first time  
Like a surgeon  
Here's a waiver for you to sign*

*Woe, woe, woe  
Woe, woe, woe  
Woe, woe, woe*

*It's a fact - I'm a quack  
The disgrace of the A.M.A.  
'Cause my patients die, yah my patients die  
Before they can pay*

*Like a surgeon, hey  
Cuttin' for the very first time  
Like a surgeon  
Got your kidneys on my mind*

*Like a surgeon, ooh-hoo like a surgeon  
When I reach inside  
With my scalpel, and my forceps, and retractors  
Oh ho, oh ho*

*Ooh baby, yah  
I can hear your heartbeat  
For the very last time*

## 2. **GASTON**

Composer(s)/Lyricist(s): Alan Menken, Howard Ashman  
Performer(s):  
From: *Beauty and the Beast*  
Notes: from the 1991 Disney animated film

*Who does she think she is?  
That girl has tangled with the wrong man!  
Darn right.  
No one says "no" to Gaston!  
Dismissed! Rejected!  
Publicly humiliated! Why, it's more than I can bear.  
More beer?  
What for? Nothing helps. I'm disgraced.  
Who, you? Never! Gaston, you've got to pull yourself together.*

*Gosh it disturbs me to see you, Gaston  
Looking so down in the dumps  
Ev'ry guy here'd love to be you, Gaston  
Even when taking your lumps  
There's no man in town as admired as you  
You're ev'ryone's favorite guy  
Ev'ryone's awed and inspired by you  
And it's not very hard to see why*

*No one's slick as Gaston  
No one's quick as Gaston  
No one's neck's as incredibly thick as Gaston's  
For there's no man in town half as manly  
Perfect, a pure paragon!  
You can ask any Tom, Dick or Stanley  
And they'll tell you whose team they prefer to be on*

*No one's been like Gaston  
A king pin like Gaston  
No one's got a swell cleft in his chin like Gaston*

*As a specimen, yes, I'm intimidating!  
My what a guy, that Gaston!*

*Give five "hurrahs!"  
Give twelve "hip-hips!"  
Gaston is the best  
And the rest is all drips*

*No one fights like Gaston  
Douses lights like Gaston  
In a wrestling match nobody bites like Gaston!  
For there's no one as burly and brawny  
As you see I've got biceps to spare  
Not a bit of him's scraggly or scrawny  
That's right!  
And ev'ry last inch of me's covered with hair*

*No one hits like Gaston  
Matches wits like Gaston  
In a spitting match nobody spits like Gaston  
I'm especially good at expectorating!  
Ptooooie!  
Ten points for Gaston!*

*When I was a lad I ate four dozen eggs  
Ev'ry morning to help me get large  
And now that I'm grown I eat five dozen eggs  
So I'm roughly the size of a barge!  
Oh, ahhh, wow!  
My what a guy, that Gaston!*

*No one shoots like Gaston  
Makes those beauts like Gaston  
Then goes tromping around wearing boots like Gaston  
I use antlers in all of my decorating!  
My what a guy,  
Gaston!*

### 3. **LOOKIN' FOR THE ANSWER**

Composer(s)/Lyricist(s): Dino Elefante, Randy Thomas  
Performer(s): Sweet Comfort Band  
From:  
Notes:  
Song Idea file: Lookin for the Answer.m4a

*I can't seem to find it  
No, I've looked everywhere  
The questions, they run deep inside my soul  
When I run to unwind it  
It tangles even more  
The truth drifts even farther than before*

*I don't know why I'm wasting all my time  
I don't know why I don't care  
I don't know what I have to do to find it  
I don't know I'm running out of time*

*Looking for the answer  
I can't find it anywhere  
Looking for the answer  
I've been searching everywhere  
The truth is right in front of me  
But I look the other way  
It's just so hard to face  
Looking for the answer*

*I just can't seem to fight it*

*This hunger leads me on  
Darkness greets me everywhere I go  
I try so hard to hide  
What I already know  
The answer came two thousand years ago*

*Looking for the answer  
I can't find it anywhere  
Looking for the answer  
I've been searching everywhere  
The truth is right in front of me  
But I've thrown it all away  
It's just so hard to face  
Looking for the answer*

#### 4. **STEP BY STEP**

Composer(s)/Lyricist(s): Annie Lennox

Performer(s): Annie Lennox

From:

Notes: May switch to something "bigger." Perhaps we do this with an a cappella intro, and with group stomp/clap/etc. during opening verse?

Song Idea file: Step by Step.mp3

*Step by step  
Bit by bit  
Stone by stone yeah  
Brick by brick*

*Step by step  
Day by day  
Mile by mile oooh  
Now don't you slip away  
Don't you go too far  
'Cause when I close my eyes  
I know who you are.*

*You are the dark emotion  
That makes me hold my breath  
Just like the silent water  
Upon the ocean's depth.*

*Don't you slip away  
Don't you go too far  
'Cause when I close my eyes  
I know who you are.*

*It's just the fear of falling  
That makes my lose my grip  
It's just the fear of falling  
That makes my fingers slip.*

*Step by step  
Bit by bit  
Stone by stone yeah  
Brick by brick*

*Step by step  
Day by day  
Mile by mile oooh  
Go your way*

*Baby don't give up  
You've gotta hold on to what you've got  
I said baby don't give up  
You've gotta keep on moving, don't stop, yeah  
Just like a new excursion (I know you're hurting)*

*Upon an open road (I know you do)  
I've got the will to take me (I know you're hurting)  
Just where I want to go (don't let the bad thing get to you)*

*C'mon baby keep moving on  
C'mon baby keep on  
Keep up...*

*Wooah*

*A hot summer night, fell like a net  
I've gotta find my baby yet  
I need you to soothe my head  
Turn my blue heart to red*

*Doctor, doctor give me the news  
I've got a bad case of lovin' you  
No pill's gonna cure my ill  
I've got a bad case of lovin' you*

*A pretty face don't make no pretty heart  
I learned that buddy, from the start  
You think I'm cute, a little bit shy  
Momma, I ain't that kind of guy*

*Doctor, doctor give me the news  
I've got a bad case of lovin' you  
No pill's gonna cure my ill  
I've got a bad case of lovin' you*

*Wooah*

*I know you like it, you like it on top  
Tell me momma are you gonna stop*

*You had me down, 21 to zip  
Smile of Judas on your lip  
Shake my fist, knock on wood  
I've got it bad and I've got it good*

*Doctor, doctor give me the news  
I've got a bad case of lovin' you  
No pill's gonna cure my ill  
I've got a bad case of lovin' you*
