

## **We Built This City**

**2010, 2016**

Say, "You don't know me or recognize my face"  
 Say, "You don't care who goes to that kind of place"  
 Knee deep in the hoopla sinking in your fight  
 Too many runaways eating up the night  
 Marconi plays the Mamba, listen to the radio, don't you remember

We built this city, we built this city on rock and roll  
 We built this city, we built this city on rock and roll  
 Built this city, we built this city on rock and roll

Someone always playing corporation games  
 Who cares they're always changing corporation names  
 We just want to dance here, someone stole the stage  
 They call us irresponsible, write us off the page  
 Marconi plays the Mamba, listen to the radio, don't you remember

We built this city, we built this city on rock and roll  
 We built this city, we built this city on rock and roll  
 Built this city, we built this city on rock and roll  
 It's just another Sunday, in a tired old street  
 Police have got the choke hold, oh, then we just lost the beat  
 Who counts the money, underneath the bar  
 Who rides the wrecking ball in two rock guitars  
 Don't tell us you need us, 'cause we're the ship of fools  
 Looking for America coming through your schools  
 Don't you remember  
 ('Member, 'member)  
 Marconi plays the Mamba, listen to the radio, don't you remember  
 We built this city, we built this city on rock and roll  
 We built this city, we built this city on rock and roll  
 Built this city, we built this city on rock and roll  
 Built this city, we built this city on rock and roll  
 Built this city, we built this city on rock and roll  
 (We built, we built this city)  
 Built this city  
 (We built, we built this city), (We built, we built this city)  
 Built this city  
 (We built, we built this city), (We built, we built this city)  
 Built this city  
 (We built, we built this city), (We built, we built this city)  
 Built this city  
 (We built, we built this city)
